PRODUCT DESCRIPTION:

SportPharma ELECTRO Max is a full spectrum and easily assimilated electrolyte supplement. For the hard training athlete, water just isn't enough. Electrolytes, in addition to water, help ensure proper rehydration during intense training protocols. To help make sure that your body's digestive, cardiovascular, muscular, nervous, and endocrine systems are working optimally during intense exercise, ELECTRO Max helps to supply a consistent and balanced source of key electrolytes. ELECTRO Max is then further enhanced with vitamin B6 and glutamine to help maximize absorption and overall exercise output and athletic performance. ELECTRO Max allows you to meet your electrolyte needs, and get the endurance edge via an easy and convenient capsule.

Our Pledge:

Buying a supplement is a big deal. You want quality. You want what's on the label inside the bottle. You want products that work. At SportPharma, we manufacture our own products to exacting standards, test them, and then stand behind them with a guarantee. We use ingredients that have been researched in the lab and tested in the real world. At SportPharma, our goal is to deliver quality products that will work and help you grow. Quality. Trust. Results. Guaranteed. That's SportPharma. That's quality you can build on.

Other Ingredients: Rice flour, dicalcium phosphate, gelatin, magnesium stearate. Made in a GMP facility on equipment that processes milk, soy, egg, peanuts, tree nuts, fish, shellfish, and wheat.

Directions: As a performance supplement, take 1 capsule for every 20 minutes or intense exercise.

Our Guarantee: Every product comes equipped with our 100% unconditional money back guarantee. If you are not satisfied, take the remainder of this product with receipt back to your place of purchase for a full refund or credit.
